Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 36 of the Indian Legislative Rules.

GOVERNMENT OF INDIA

LEGISLATIVE ASSEMBLY DEPARTMENT

[As introduced in the Legislative Assembly.]

A Bill to remove the disabilities of the so-called Depressed Classes in regard to entry into Hindu temples.

Whereas it is increasingly felt by the Hindu community that the disabilities imposed by custom and usage on certain classes of Hindus is unjust and that their temples should be reserved;

Any wartime doubts have been reinforced whether trustees and others in charge of remanagement of such trusts have power to make any innovation contrary to the established custom or usage of the families:

AND WHEREAS it is expedient that the law so administered by the courts should so far as possible prevent a trustee from allowing to any class of Hindu, who might have been excluded from a temple under his management, entry into such temple, if the Hindu community in the locality is generally minded to allow such entry:

It is hereby enacted as follows:—

1. (1) This Act may be called the *Hindu Temple Entry Restriction Act, 1920*.

(2) It extends to the whole of British India.

2. In this Act, unless there is anything repugnant in the subject or context,—

(a) "Board" shall mean the Board of Commissioners constituted under section 33 of the Madras Hindu Religious Endowments Act, 1920; Act, No. 7 of 1920.

(b) "Excluded caste" shall mean any caste or class of the Hindu community excluded by reason of established usage or custom from entering a temple;

(c) "Temple" shall mean a place, by whatever designation known, used as a place of public worship by the Hindu community generally except the excluded castes;

(d) "Trustee" shall mean a person by whatever designation known in whom the administration of a temple is vested; and

(e) "Voters" shall mean—

(a) when used in connection with a temple having an annual income of Rs. 500 and above, the Hindu voters in the electoral roll of the Corporation of a City or in the electoral roll of a municipality, or a district board or a town board or any other local authority constituted under the Local Boards Act within the area of which it is situated; and

(b) when used in connection with a temple having an annual income of less than Rs. 500, the Hindu voters in the electoral roll of the municipal division in the City or the municipal ward in the municipal area in the electoral or the panchayat area within which it is situated.

3. (1) After the commencement of this Act, a written request signed by not less than fifty voters may be made to the trustee of a temple asking him to refer the question of admitting into the temple any excluded caste to the general body of voters.

(2) Upon such requisition, the trustee shall forthwith refer the question to the voters for decision in the manner prescribed.

(3) The decision of a majority of the voters who have recorded their opinions shall be binding on the trustee of the temple and on all worshippers therein.

(4) Where the decision is in favour of allowing the entry of any excluded caste into the temple, the trustee shall publish an order in the manner prescribed that the excluded caste shall have a right of entry into such temple.

4. (1) Notwithstanding any law, custom or usage to the contrary, it shall be open to a

trustee of any Hindu temple himself to publish in the printed

reservec a notice that unless an objection is lodged with him within a period of one month from the date of publication of the notice, he will make an order allowing an excluded caste, mentioned by him in the notice, to enter into such temple.

(2) Within one month after the publication of such notice by a trustee, a written objection signed by not less than fifty voters may be lodged with the trustee, objecting to such entry. Upon the lodging of such objection, the question whether the excluded caste concerned shall or shall not be allowed entry into the temple shall be referred to the voters under sub-section (3) of section 5 as if a requisition had been made under sub-section (1) of that section.

(3) The decision of the majority of the voters regarding their opinions shall be binding on the trustee and the worshippers of the temple.

(4) Where an objection has been lodged under sub-section (2) and the decision of the majority of the voters regarding their opinions is in favour of allowing the entry of the excluded caste into the temple, or where an objection is proved, after the expiry of the period mentioned in the notice under sub-section (2), the trustee shall publish an order in the manner prescribed that the excluded caste shall have a right of entry into the temple.

5. On the publication in the prescribed manner of an order

by the trustee under sub-section (4) of section 4, it shall be lawful for any member of the excluded

caste referred to in such order to enter into the temple for the purpose of worship therein, subject to such general regulations for the maintenance of order and cleanliness and the due observance of the religious ceremonies in the temple as may be made in that behalf by the trustee.

6. Where a reference has been made to the voters under

sub-section (2) of section 4 or sub-section (3) of section 4 and the majority of voters who have voted have decided against the

throwing open of a temple to any excluded caste, no written requisition under section 3 shall be made and a notice under section 4 be published for a period of one year from the date of which such reference was made.

7. In section 46 of the Madras Hindu Religious Endowments

Act, 1895, for words "subject to the provisions of the Hindu Temple Entry Prohibition Bill, 1903" shall be inserted the amendments

Mad. Am. II Amendment of section 46, Mad. Act II, of 1907.

8. The trustees of a temple may, with the previous approval of the Board, make regulations to—

- (1) for the maintenance of order and cleanliness in the temple and
- (2) for the due observance of the religious religious ceremonies in the temple.

9. (1) The Local Government shall have power to make rules for the purpose of carrying into effect the provisions of this Act.

(2) Without prejudice to the generality of the foregoing power, the Local Government shall have power to make rules prescribing—

- (a) the form of the requisition by the voters for a referendum, and the manner of its presentation to the trustees;
- (b) the manner of publication of the notices and orders of the trustees;
- (c) the method of obtaining the opinions of the voters; and
- (d) the decision of disputes regarding the ascertainment of such opinions.

#### STATEMENT OF OBJECTS AND REASONS.

The custom of segregation of certain classes of the Hindu community as untouchable and the social disabilities they suffer from have been the subject of numerous considerations. There has been considerable agitation on the part of leaders of these classes as well as on the part of reformers among caste-Hindus to remove the custom and remove the disabilities. Recent events have brought this agitation to a head and there is at present a great wave of feeling throughout India for the removal of disabilities of these "depressed classes" as they have commonly been called. Public agitation is specially focused on the question of these classes that apply into the ordinary Hindu temples along with caste-Hindus. Pious Hindu temples being places of great interest and great attraction of all Indians and devotees of caste-Hindus in the worship of their common Gods, it is felt that these "depressed classes" should also be given the right of entry into these temples for purposes of worship. It is felt that great advantage to public opinion attributed to such a reform as far as the removal of these classes, and no change of character is permitted. Not only have events created the entry of members of these classes into Hindu temples as a definite (forced) necessity by the Indian Penal Code, but events have been felt as to the necessity of removing the stigma of temples possibly to prevent such entry even when they had the public opinion among the worshippers favour such entry. In the opinion of those trustees the Law of the land and section 40 of the Madras Hindu Religious Endowments Act of 1927 in particular, stand in the way of any change. It is therefore, necessary to enact a law of a permissive character enabling the removal of the bar which local bodies impose against such reform.
